... and passed.

II. Proposals of Mr. Virasangappa, Municipal Commissioner, suggesting certain arrangements in the conduct of Municipal duties :—

(1) To reduce the tax on house services from Rs. 50 for 1 inch and Rs. 25 for half inch pipes to half those rates.

Proposed by Mr. Raghavachari, seconded by Mr. Annaiya Pandit and carried that taking into consideration the present scarcity supply of water in the Kukarhalli Reservoir, the discussion of this question, which if carried would produce many applications for house services, be deferred.

(2) That the Vice-President once a month visit each Mohalla accompanied by the Municipal Commissioners of such Mohalla.

Passed.

(3) That all carriages and carts should carry lights at night within Municipal limits.

There was a considerable discussion on the hardship of carts from out-stations entering the Town being required to carry lights, and, it was finally resolved that local carts carry one light, if no light, the driver should walk with his cart. Up-country carts should be driven at a foot pace and keep on the left side of road and the bullocks shall have strong nose and head ropes to admit of the driver having perfect control over them.

(4) That the collection of Sayer duties be carried on in the absence of the Daroga from the Octroi Station by his subordinates to prevent delay and inconvenience to the public.

Proposed by Mr. Raja Rao, and seconded by Mr. Raghavachar, that it is not desirable to invest such authority in any of the office establishment, who are men on small salaries, and that the present system be continued.

Carried.

(5) That pending the sanction of peons provided in the Budget as orderlies for the Commissioners, that other provision be made for assisting the Commissioners, in their investigations into petitions, &c.

Resolved—that the Mohalla Overseer be directed to accompany the Commissioner with the petitions.

Carried.

III. The question of the removal of Bamboo Bazaars and Kerosine oil referred to in the Board's Resolution of the 20th September 1890, was discussed and it was resolved—

That the Bamboo Bazaars be removed to 5 selected Municipal sites, and that the consideration of the removal of Kerosine oil be deferred.

IV. Read petition of Syed Dastagiri, dated 31st January 1891, praying for exemption of Mohatarfa shop-tax due by him.

Resolved—that the matter be disposed of by the President.

V. The proceedings of the following Sub-Committees were duly confirmed :—

(1) Sub-Committee on maintenance of water works.
(2) Sub-Committee for framing rules for the conduct of Municipal Meetings.
(3) Sub-Committee on carriage and carts carrying lights at night.

VI. Read appeal petition of Bangaramma, dated 24th February 1891, praying for the street drain in front of her house to be repaired at the Municipal cost, as it had been damaged by the formation of the new road.

Resolved—that the front wall of petitioner's house be protected from all damages, the street drain be properly constructed, and main passage to the house be provided with steps.

VII. The question whether Municipal servants on the permanent establishment of this Municipality are entitled to pension, &c., as in the Bangalore Municipality.

Resolved—that the Uncovenanted Civil Service Leave and Pension Code be adopted by this Municipality.

VIII. Proposed by the Vice-President to build Bazaars in Chamarajpura from Muzarayi funds at a cost of Rs. 2,900.

Resolved—that the above sum may be utilized as proposed with the special sanction of Government.

IX. The application from the Matron of the Maharani's Hospital for six months' leave on half pay.

Resolved—that the granting of leave to the Matron of the Maharani's Hospital is not within the province of the Municipal Board, as the majority of the Commissioners do not consider her a Municipal servant, but should the Government decide that she is a Municipal servant the Board [illegible]
